AMERICAN ASSOCIATION FOR NUDE RECREATION PLANS ANNUAL CONVENTION IN OKLAHOMA

KISSIMMEE, Fla. (Aug. 4, 2009) – August 10-16, nearly 800 members of the American Association for Nude Recreation (AANR) will gather in Depew, Okla. at the Oaklake Trails nudist resort to participate in the annual convention which includes a wide range of events, meetings, and seminars that embrace the joy of living and experiencing nature in the most natural way possible. Oaklake Trails was established in the summer of 1992 and is located on more than 400 acres of beautiful hickory and oak covered hills halfway between Tulsa and Oklahoma City.

AANR President John Kinman said, "Each year, AANR's nearly 40,000 members and their families who belong to the association's affiliated clubs, resorts and campgrounds throughout the U.S. and Canada, are invited to participate. The theme of this year's convention focuses on history and heritage. We expect a great turnout of members who are thrilled to experience the beauty and heritage of Oklahoma."

During the seven-day convention, nudists from across the country will discuss the organization's vision for the coming year, report on activities from various committees and celebrate 78 years as the credible voice of reason for nude recreation.
