

# 90th AANRversary Convention August 11-14, 2021

# A Welcome Message from Star Ranch

On behalf of the Board, the Council, and the Management and Staff of Star Ranch, let me thank you for attending the 2021 AANR Convention this year! The Ranch's members, The Sahnnoans - meaning the Heathy Ones - have been enjoying our "little slice of heaven" for almost 64 years now, and we hope your visit to our rustic, little village will be as special for you as it is for us.

This year's convention theme, Born to Be Nude, is definitely appropriate since August is the month that causes the most nudity around here – it's hot! We welcome AANR's mission to help guard the freedoms that we nudists all hold so dear and are ready to support any of your needs.

The pandemic caused problems for many of the resorts in this region, as it did across the country, but since our "reopening" this past April, we have been able to return our nudist community to a true sense of normalcy. Since Star Ranch is member-owned, we have had to count on our members and staff to get the Ranch to the condition you see today. Unfortunately, a few of the additions to our facility have had to wait, due to decreased revenue, but you don't know about those...

Our Council has planned many activities, indoors and out, that we hope you will enjoy. Lots of games. Lots of music. Lots of fun! You may also just sit by/in the pool as you wish. And just wait for the food that our management has been planning. We receive lots of compliments about that aspect of Star.

Please join me in thanking all the people who have staffed our numerous committees to make your stay safe and enjoyable. Please feel free to contact any member, staff member, Council, or Board member if you have a need.

## National Anthems

### The Star Spangled Banner

Oh, say can you see, by the dawn's early light,  
what so proudly we hailed at the twilight's last gleaming,  
Whose broad stripes and bright stars, through the perilous fight,  
O'er the ramparts we watched were so gallantly streaming.  
And the rocket's red glare, the bombs bursting in air,  
gave proof through the night that our flag was still there.  
Oh, say does that Star Spangled Banner yet wave,  
O'er the land of the free and the home of the brave.

### O Canada

O Canada! Our home and native land!  
True patriot love in all thy sons command.  
With glowing hearts we see thee rise,  
The True North strong and free!  
From far and wide,  
O Canada, we stand on guard for thee.  
God keep our land glorious and free!  
O Canada, we stand on guard for thee.  
O Canada, we stand on guard for thee.

Welcome to Star Ranch Nudist Resort and the AANR 2021 Convention. As I always like to say, "Have FUN!"

## **WELCOME TO THE 90th AANRversary CONVENTION**

This is a very special milestone for AANR, and I am delighted to be celebrating it with you at the Sahnoans at Star Ranch. Sahnoan is a Native American word meaning 'healthy one'.

What a wonderful time this will be visiting in person with your AANR friends and catching up on what we all did over the past year. It is time to learn a little history about AANR and what your organization has done for the past 90 years to make it the success it is today. In 1931 a German immigrant, Kurt Barthel, started the American League for Physical Culture, in New York, to introduce people to the benefits of social nude recreation. By 1936 the organization had changed its name to The American Sunbathing Association, ASA for short. Separating us from "disorderly businesses" and commercialized pornography had become a goal with the new name.

Acceptance of nudism and the rights of those individuals has always been a concern of the organization. For the next nine decades, thousands of individuals have worked to Promote nudism, Protect nudists, Provide services, and Preserve financial viability for AANR.

I am so glad you chose to share this summer's 90th AANRversary celebration with your fellow nudists at Star Ranch. The club has ensured there are many ways to enjoy your stay, from walking the trail, friendly competition on the sports courts, to disk golf, water volleyball, or visiting with friends in the hot tub and pool. There will be two dances, one on Thursday night and the other on Saturday. You will have multiple opportunities to support the organization while having fun. Don't miss the Single Malt Scotch Society fundraiser, the Silent and Live Auctions, and the Education Foundation Fundraiser. Come have some fun while supporting AANR.

I look forward to creating some wonderful new memories with you during our stay at Star Ranch. So get ready for some Texas charm and southern hospitality.

Sincerely,

Kathy Watzel  
*AANR President*

## ASA/AANR HALL OF FAME

The AANR Hall of Fame was established to honor individual AANR members who have contributed much to the organization throughout history.

The select group of nudists who are included in the AANR Hall of Fame have been considered by a committee consisting of one representative from each region. Each year, this committee considers all applications submitted and may elect as many as two new members to this honor roll. In order to be elected, near unanimous agreement is required.

# Rules of Business

*"Where there is, radical difference of opinion in an organization, one side must yield. The great lesson for democracies to learn is for the majority to give the minority a full, free opportunity to present their side of the case, and then for the minority, having failed to win a majority to their views; gracefully to submit and to recognize the action as that of the entire organization, and cheerfully to assist in carrying it out, until they can secure its repeal."*

– Henry Robert, *Parliamentary Law*

The business meeting will be recorded.

## MOTION PROCEDURES:

All motions are to be written on the AANR Motion Form and forwarded to the president.

## WHEN A MOTION IS ON THE FLOOR:

- In the debate, each member has the right to speak only twice on the same question.
- Members cannot make a second speech so long as any member who has not spoken on the question desires the floor.

- When speaking to a motion, the member should indicate whether he speaks in favor of the motion or in opposition.
- The presiding officer cannot cut off the debate as long as one member wishes to rise and speak.

# BE A PART OF AANR'S FUTURE

## BE A PARTNER IN PLANNED GIVING

A planned gift is a voluntary gift of any kind in any amount. Some partners may choose to remember AANR in their will, or name AANR as the beneficiary to a life insurance policy. Still others may choose to leave a special annual gift or unique donation to honor a loved one or commemorate an event. If you wish, your bequest may be used for a specific purpose. AANR's goal is to be sure that your legacy is as you intend.

Here at convention, you are invited to attend a Planned Giving Reception (see the Convention Schedule for the time and place). Those who attend and fill out a commitment card will be offered a special gift. If you are already recognized by AANR as a Planned Giver, you are certainly welcome to drop by for treats and a gift.
