

I am having fun at camp. The only thing I did not like was the mud. It has been muddy all week. I had a lot of fun in the pool making new friends and playing games like Marco Polo and Sharks and Minnows. I have fun here because I get to meet new people and make friends with them. I had a lot of fun in the workshops. I have learned a lot from these workshops. I have learned how to be a better leader. My favorite day was when we went to Putt Putt golf and go-carts in the pouring rain so when you hit a puddle, water splashed in your pants. It was the first time I drove a go-cart. I had a lot of fun and I learned a lot. I will come back next year.
