

I'm Proud To Be A Nudist

Sung to the tune of "I'm Proud To Be An American"

We're the leaders of
tomorrow's world
From every walk of life
And we think we've found a
way to live
To end all war and strife
We're so happy to be here
today to
Share this song with you
And we won't give up our right
to live
Free and proud and nude.

Chorus

And I'm proud to be a nudist
To stand here bare and free
To be unashamed of who I am
To be just as God made me
And I'll gladly stand bare next
to you
And remember all the day
'Cause there is no doubt I'll
always say
Nude is the only way.

We've come together at JFANR
camp
To celebrate our day
At Lake Como Resort we've
tried to show
The importance of fair play
We accept ourselves for who
we are
And not just how we look
We don't judge each other by
what we wear
Like the cover of a book.

Chorus (Sing two times)

And I'm proud to be a nudist
To stand here bare and free
To be unashamed of who I am
To be just as God made me
And I'll gladly stand bare next
to you
And remember all the day
'Cause there is no doubt I'll
always say
Nude is the only way.
