JUDGING GUIDELINES FOR CONVENTION AWARDS

1. The Awards Subcommittee Chair will appoint judges for various non-sports awards. Each individual award judge should make certain that criteria for that award are understood and transmitted to those assisting. (Also see Sections 5.00.01.d and 5.01.01.a).
2. A brief session will be held prior to the judging and a debriefing session will follow to review the entire judging and documentation procedure for the purpose of amplification, simplification or needed revisions.
3. The first item judged may receive a lower score as the judges are adjusting their values. Therefore review the first one again to ensure the evaluation is comparable with the rest.

Judging and documentation procedure:

1. Review all items submitted for the quality level.
2. Judge each item submitted as per criteria.
3. Start from the midpoint of the category value and score above or below that.

BIOGRAPHIES

Researched and compiled by Beverly B. Price

A Biography of RICK ATHEARN

The Rick Athearn Photography Award recognizes photographers whose photographs best display the beauty and enjoyment of family and social nudism. The photo must have been published in THE BULLETIN to be considered.

Rick Athearn is a life-long resident of Colorado, educated at the University of Colorado, St. Louis University and the University of Texas at Austin. He earned his PH.D. in Western American History, which he taught for several years before becoming the State Historian for the Colorado Bureau of Land Management in 1975. At the time of his retirement in September 1996, he was also the BLM Colorado State Office Cultural Resources Program Manager. He is the author of two award-winning regional histories, several monographs, numerous articles and dozens of book reviews. His interest in the archival preservation of historic properties led to his interest in photography, which expanded into a love of studio figure photography.

Rick has been a member of Mountain Air Ranch and Jardin del Sol in the Western region. He edited the MAR newsletter, was on their publicity and management committees, and authored "A Place in the Sun, A History of Mountain Air Ranch", published in 1985. In 1985 he was elected to serve a two-year term as a Director of the WSA. At that time, Rick chose to sponsor his award to improve the photography in THE BULLETIN and to encourage the submission of photos that depict the wholesome family nature of nudism.

Frederick J. "Rick" Athearn passed away on January 16, 2014, in Boulder, Colorado.

A Biography of ILSLEY SILAS BOONE

The awards given in the name of Ilsley Boone are to club newsletters deemed to be superior. This is perhaps most fitting when one realizes that Boone was the publisher of some of the most famous nudist magazines in America, *The Nudist* and *Sunshine and Health*, both available on newsstands. In fact, Boone's influence on nudism and on ASA is so profound that it will be impossible to write an adequate biography of him in this small space. Anyone interested in further information is referred to *The Nudist Idea*, written by Cec Cinder, who states in his book:

"There is little question that Ilsley Boone has been the most controversial figure in the American nudist scene. Opinions of him range from the fervent and unyielding admiration of some of his contemporary followers . . . to the loathing of some of his detractors, who considered him a pretentious phony and an unctuous con man..... I [Cinder] also think he was an unusual man, intelligent, talented, courageous and idealistic."

Boone, who didn't become a nudist until he was fifty years old, was the founder of ASA. This group had evolved from his International Nudist League, later called the International Nudist Conference. Through all the changes in name, the ownership was never in doubt, as "Uncle Danny," (Boone's preference) maintained control by calling himself the Executive Secretary and never letting the membership rolls out of his hands. In 1935 he bought Sunshine Park near Mays Landing, NJ. The ASA office was housed there and the American Sunbathing Association was incorporated in New Jersey on February 18, 1937.

In subsequent years, several attempts were made to wrest control of ASA from Boone, but none was successful until August 1951 when a very well organized opposition orchestrated his demise. Boone immediately drove home from Penn Sylvan to Sunshine Park and tied up both the membership roster and the funds. It took a court case against him (and a full year) before he would release both to the new, and rightfully elected, directors. In 1952 Mervin Mounce became the first ASA president not directly under the control of Boone.

Boone's other accomplishments include at least two that are notable. He founded and operated a nudist school for children ages three through twelve on the grounds at Sunshine Park. He also made an appeal to the U.S. Supreme Court to allow nudist magazines -- even those with full-frontal nudity -- to be mailed through the U.S. Post Office.

He won that appeal in a landmark decision on January 13, 1958. Of course, the men's magazines of the day immediately took advantage of the judgment.

By 1963, Boone's Sunshine Publishing Company was out of business and Boone was broke. Edith Church of the National Nudist Council let him live at her place in Ohio until his death on Thanksgiving Day, November 26, 1968. His obituary in the *New York Times* called him "the czar of the nudist movement in the USA."

Boone was one of three charter members of the ASA Hall of Fame when it was established in 1964. The other two were Alicia Lloyd and Kurt Barthel.

A Biography of RAY AND MILDRED CONNETT

The Ray and Mildred Connett Fund was established to receive gifts and bequests generated by the AANR Planned Giving Program. The fund is restricted and administered by the trustees.

Ray and Mildred were childhood sweethearts who married in 1933. Ray worked for the Vancouver, Canada, post office, retiring in 1957. But retirement only meant that they could spend more time at their nudist activities.

After Ray's return from WWII in 1939, the Connetts became charter members of the Van Tans. They founded the Canadian Sunbathing Association in 1947. Ray served as its national secretary for 5 years. When the CSA merged with the ASA in 1954, Ray began a trusteeship with ASA that lasted until 1973. He wrote a page in the CSA magazine called Sunny Trails. Mildred wrote the women's page under the name Mildred Harris. During this time, 15 local groups formed, thanks to the Connett's efforts. In 1952 they helped organize the Sunny Trails club.

Following Ray's retirement, the Connetts moved to southern California and became the managers of Olive Dell Ranch. In 1963 they founded Glen Eden Sun Club on 155 acres that Cliff Kennedy had discovered 10 miles south of Corona. Almost immediately they turned it over to the members to run as a cooperative club. In 1976 Ray took over for a short period of time as Executive Director of ASA. Shortly after that he was inducted into the ASA Hall of Fame.

On April 17, 1997, Ray and Mildred both died in an apparent accident in the hot tub at their beloved Glen Eden. As strong financial supporters of AANR, it is fitting that this fund be established in their names.

A Biography of JIM COSSINS

The Jim Cossins Memorial Award is given at the discretion of the president to an individual who has performed distinguished and meritorious services to AANR. Jim was from the Midwest, and the MSA funds this award each year that it is given.

Jim was educated in accounting at Hamline University in St. Paul, MN, but never worked as an accountant. He preferred working with his hands and spent his life as a carpenter.

Jim helped found Oakwood Club in Coon Rapids, MN, and served as its first president. He also served as president of CSA (the Central Sunbathing Association) which had member clubs from both the ASA and the NNC (National Nudist Council) in its ranks during the 1950's. Jim served on the ASA Board of Trustees from 1968-1971, the time that the NNC broke away from the ASA and formed its own organization.

Jim died in April 1971. To honor this man and his tireless work on behalf of nudism in the Midwest, the MSA proposed the award in his memory. It was first awarded in 1972 by ASA President George Blicher and given to Tom Goin. Jim himself was posthumously inducted to the ASA Hall of Fame in 1973.

Jim's widow Lulu (also known as Lou) was still living at the time this biography was written. She turned age 90 in 2002. Many of the nudist friends of Jim and Lulu were at the party to help her celebrate her longevity!

A Biography of ERWIN T. KOCH

The Erwin Koch Award goes to the club whose friendliness and cleanliness have been described in writing by any individual in a letter to the AANR office. The award actually began as a fund which Koch established with the ASA in 1975. The fund has since been absorbed into the ASA general fund and the award is funded by AANR itself.

Koch referred to himself as Colonel Koch, although it is unknown what branch of the service had elevated him to this rank. A citizen of Missouri, he was a world traveler who was known to his friends as “Teddy Bear”, again with no known reason.

It is known that in 1979 he was proclaimed a Poet-Laureate of Advanced Letters by the World Congress of Poets. He was a life member of this organization. He also claimed to be Doctor of Philosophy, a Doctor of Literature, a Doctor of Fine Arts, a Doctor of Liberal Arts, and a Doctor of Music. He was listed in the 3rd Edition of Who’s Who in the World.

Koch’s history as a nudist is unknown and probably undocumented. Why he chose to fund this award is a mystery. But the award is as big as his ego. He requested that the trophy be of huge proportions -- big enough to create monumental problems for the winner who attempts to take it home on a commercial airline!

A Biography of GLENN F. MILLER

The Glen Miller Fund awards interest-free loans to be used for the improvement of an AANR club’s facilities. The loans may not exceed the value of the interest on the restricted fund’s account. (Although Glen’s name was officially spelled Glenn, he preferred the other spelling in nudist circles.)

Glen first discovered nudism in Southern California in the 1970's. He and two of his daughters often enjoyed the sunshine at Thelma Manning’s place. (He had one other daughter and a son). By the mid 1980's he had moved back to Mayville, NY, and had opened an automobile restoration shop. Perhaps it is fitting that in January 1986 he asked that his newly formed ASA provisional travel club be called “The Body Shop.” Although the name sparked controversy, the provisional status was approved, and he got his charter for the club in January 1987.

Not long thereafter it was discovered that Glen had cancer. He passed away on April 19, 1988. A short obituary was written in THE BULLETIN, but it was not until sometime later that ASA was notified that Past President Jim Hadley had been named executor of Glen’s estate and that he was bequeathing over \$65,000 to the organization! The gift was finalized in June 1989 at the Chautauqua (NY) County Court House. Although it was basically given without strings attached, the Trustees at the time chose to restrict the fund and loan only the interest, a choice which has allowed many ASA/AANR clubs to benefit from the bequest.

A Biography of HAROLD O’NEILL

The Hal O’Neill Outstanding Public Relations Award is awarded to a club that joins in a community effort which results in the improvement of the club’s image as well as the image of nudism in general. It is unclear whether Hal himself initiated this award or whether it was initiated by someone else in his behalf.

There is little official information on Hal. He was single, thin, average height, unassuming and a hard worker. He worked as an accountant, which probably assisted him in discovering some misappropriations of ASA funds when he was president of ASA in 1967-68. In fact, after his election to a second year as president, he spent almost two months in Mays Landing attempting to discover the problems and resolve them.

Hal was a product of the WSA, being a member of Olive Dell. He lived in San Bernardino and regularly commuted

to the club. He served as Secretary/Treasurer of the WSA for at least two terms, 1963-64 and 1969-70. He also served as its president during the 1966-67 term. In 1963 he was elected WSA Man of the Year. Hal was elected president of ASA in 1967 and again, unopposed, in 1968 at the convention at the Willamettans. His history leaves us little of what he accomplished besides cleaning up the financial situation at the ASA office.

A Biography of BOB PAGE

The Legal and Government Affairs Fund of AANR was named in honor of Bob Page shortly after his death in 2001. This fund is used for the defense from criminal prosecution or civil suit of AANR.

Bob began his tenure as an official of the WSA in 1973 when he was elected as a director. He also served as WSA president. In 1979 he was elected ASA/WSA trustee, however he only served a short time in this position. In early 1980, upon the resignation of Sol Stern, Bob became the legal counsel to both ASA and WSA. His wife Elizabeth served the remainder of his term as trustee.

One of his first tasks as the official counsel was to defend the WSA against a lawsuit brought about by some photographs of WSA children that appeared in a naturist magazine in Europe. He won the case and repeatedly used the verdict as justification for further advice: We, as nudists, have the right to protect our association, our clubs and our members and to enforce the rules by which we operate.

Bob and his wife Elizabeth belonged to several ASA/AANR clubs, including Mountain Air Ranch, Arizona Wildflowers, Rocky Mountain Bares, and Rocky Mountain Naturists, during their affiliation with the organization. Even as Bob assumed a greater role in the growth of ASA, his heart remained in the west. He had worked as US Park Ranger in several western venues, and always maintained a strong feeling about first amendment rights.

Over the years, Bob produced numerous legal documents to support the right to nude recreation, including an amicus curiae brief that was read in the Supreme Court of the US. In addition to serving as legal counsel for WSA and ASA (which became AANR), he was asked to serve the same for the Florida Region. His expertise was recognized across the United States.

On a personal level, Bob was involved in a number of activities. He operated a small law practice out of Denver, Colorado. He was a gourmet cook and a talented artist. He was active in the Association of First Amendment Lawyers. He took up the cause of the common man.

Mild mannered and subtle, he was always on the ready to protect that in which he believed. He has undoubtedly made a significant difference in nude recreation in the numerous years that he gave his devoted attention to AANR, serving as AANR legal counsel until the day of his death. It is fitting that we honor him by naming the Legal and Government Affairs Fund in his behalf.

A Biography of STANLEY AND ELIZABETH SCHOFIELD

The award that is given to the nonlanded club that accumulates and documents the most mileage on visits to landed clubs is named for the Schofields. They purchased the original large traveling trophy subsequently inscribed with the names of winners. This original trophy has been misplaced and the current award is a plaque.

Stan Schofield is a fourth generation native of Canada and his wife Liza, a native of England, moved to Canada in 1969. After their marriage in 1971, they joined Meadowbrook Club in British Columbia. Although this club was beautiful and a favorite of the Schofields, they were not satisfied with staying home. They quickly became very active members of the Hyperion Club, traveling in their camper pickup to Van Tans, Sunny Trails, Sunny Chinooks, the Willamettans, Lake Associates and many others. It was with a sense of camaraderie that their travels became the impetus for purchasing the trophy and challenging other ASA clubs to exceed the mileage total of the Hyperions!

In keeping with their wanderlust, the Schofields helped found another ASA travel club, The Totems. Their son Spencer, who was in his teens at the time, traveled with both the Hyperion Club and with the Totems, sometimes with his parents and sometimes with other members. When the Totems turned in their ASA Charter in 1988, the Schofields became associate members of ASA. They are no longer active with an organized group, but they remain strong advocates of travel.

A Biography of ARTHUR SCHUMANN

The Art Schumann Award is given for the best nudist reporting by a non-nudist reporter in a non-nudist publication. No record remains as to why he chose to sponsor this award, but after he died in 1988, the ASA voted to fund it in perpetuity to honor Art's many contributions to the nudist movement.

Art was born and raised in Los Angeles and served 20 years in the Navy. He later worked for the State of California Department of Transportation (CALTRANS), retiring in 1979. While he worked there he was active in the employees association and on the bowling league.

Art first joined the ASA in 1956 and shortly thereafter became a life member of both ASA and WSA. He attended nearly 30 ASA conventions until poor health limited his travels. His friend Jeanie Hawk wrote in his obituary "When meetings adjourned, he could usually be found playing bartender or being someone's 'gofer'. It was for this attribute that he was prominent at various social functions at the annual conventions.

Art was honored as the ASA Man of the Year, and received the same honor from the Swallows Club where he was a member. He was also a member of several travel clubs, beginning his nudist life with one of the oldest such clubs, the Air-A-Tans in Los Angeles. He liked to tell about being interviewed by Alicia Lloyd for membership! He also joined Golden Oaks and Sun & Fun Seekers. It can easily be stated that for Art, the ASA/WSA was a huge part of his life and it is understandable why he would want to help out by sponsoring an award.

A Biography of ALONZO STEVENS JR.

The AANR Government Affairs award was named in honor of Alonzo Stevens Jr. shortly after his death on June 30, 2013. The Government Affairs award is to be given to an individual or club who has made outstanding contributions to the AANR Government Affairs program.

Alonzo began his involvement with Government Affairs as a Director of the Western Region in 2000. Alonzo was a member of Laguna del Sol with his wife Debra Sue Stevens. Alonzo was appointed Northern California Government Affairs Chair. Alonzo's background as a Local 39 Stationary Engineer and years of union contract negotiations fit well in the political arena. In 2001, Alonzo was appointed the AANR West Government Affairs Chair until 2005 when Alonzo became the AANR Government Affairs Chair. In 2010, Alonzo resigned as the chair due to health issues.

During Alonzo's decade of strong personal commitment, he built an AANR Government Affairs Team (GAT) with representatives from every region. He involved all members of GAT with every challenge. Each member's expertise was valued so when an issue arose, the member whose skill set best matched was involved early on. Alonzo's GAT left AANR members with the Nudist Bill of Rights adopted in 2011.
